FAQ & Help (1/1)

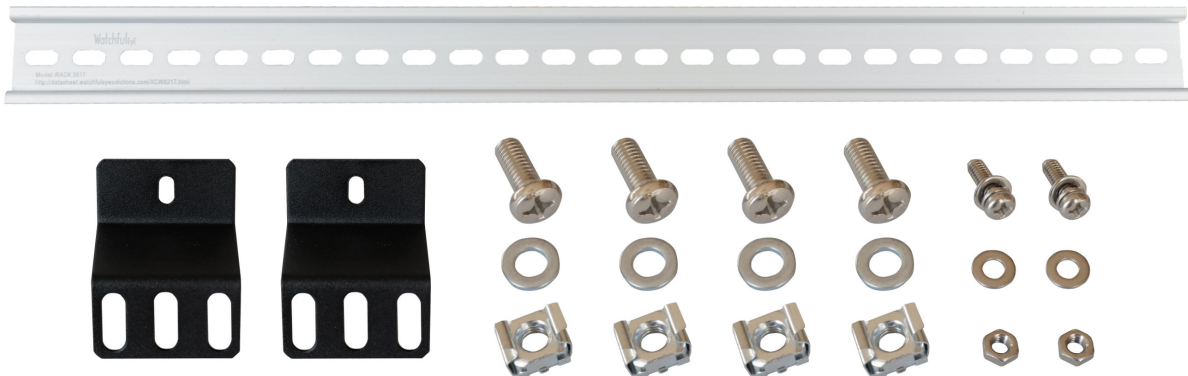

1. What should I do if I can't find the paper manual in the product packaging?

Watchful Eye products is committed to going green with paperless data sheets. On each DIN rail there is an engraved link with URL for downloading paperless data sheet on the website.. If you need the paper data sheet, you can open the link and print the data sheet by yourself.

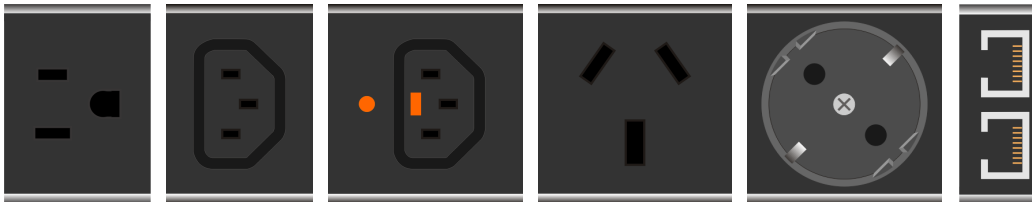

2. Is there an overall view of the rack ears and DIN rail?

The following is a photo of rack ears and 17-inch DIN rail.

3. How can I customize other products of 19" rack?

In addition to 19-inch Rack Power Distribution Unit (PDU), there is 19-inch Rack Ethernet Surge Protector. Modular design allows you to customize the plug-in modules to fit your needs, 19-inch standard dimension or other custom-sized dimensions maximize the ease of use and maintenance.
