Aluminum alloy oxidation DIN-rail

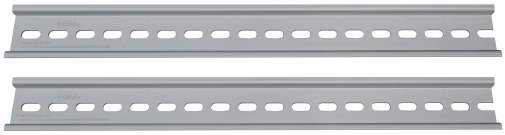
Paperless Datasheet

Going green and protecting environment is manufacturers' responsibility. WatchfulEye products have the links of downloading data sheet on its enclosure:
http://datasheet.watchfuleyesolutions.com/XCW8213.html

Model & Ordering Code

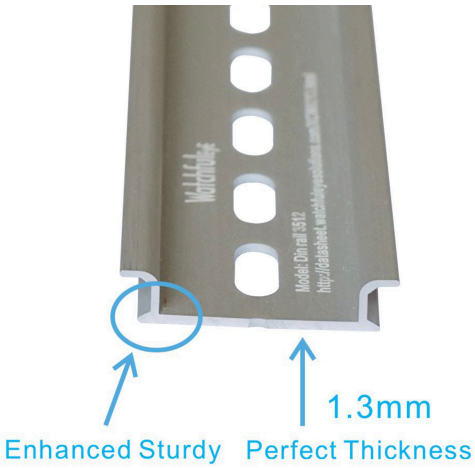
Model	Ordering Code	Packing	UPC/EAN Code
DIN rail 3512	XCW8213	1 pcs	(0) 811914031970
DIN rail 3512x2	XCW8214	2 pcs	(0) 811914031987

DIN rail 3512



DIN rail 3512x2

Feature

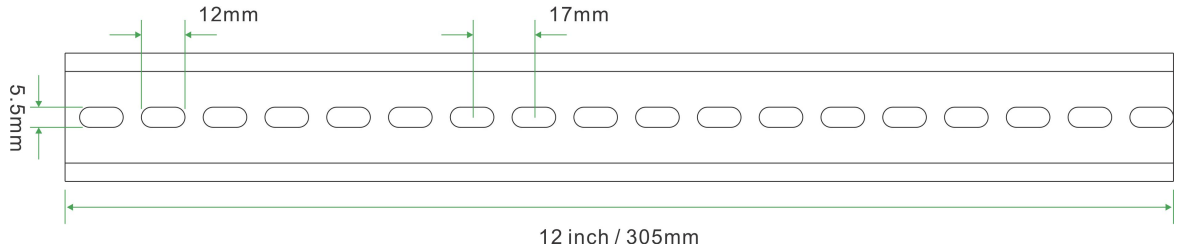


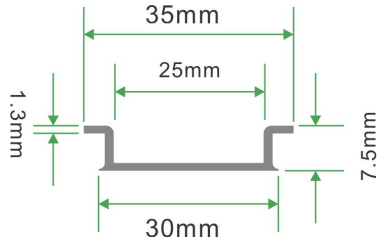
Aluminum alloy oxidation DIN-rail

Description

Aluminum alloy oxidation
Length: 12 inch / 305mm
Height: 7.5mm
Thickness: 1.3mm
Net Weight Per Unit: 45g

Dimensions

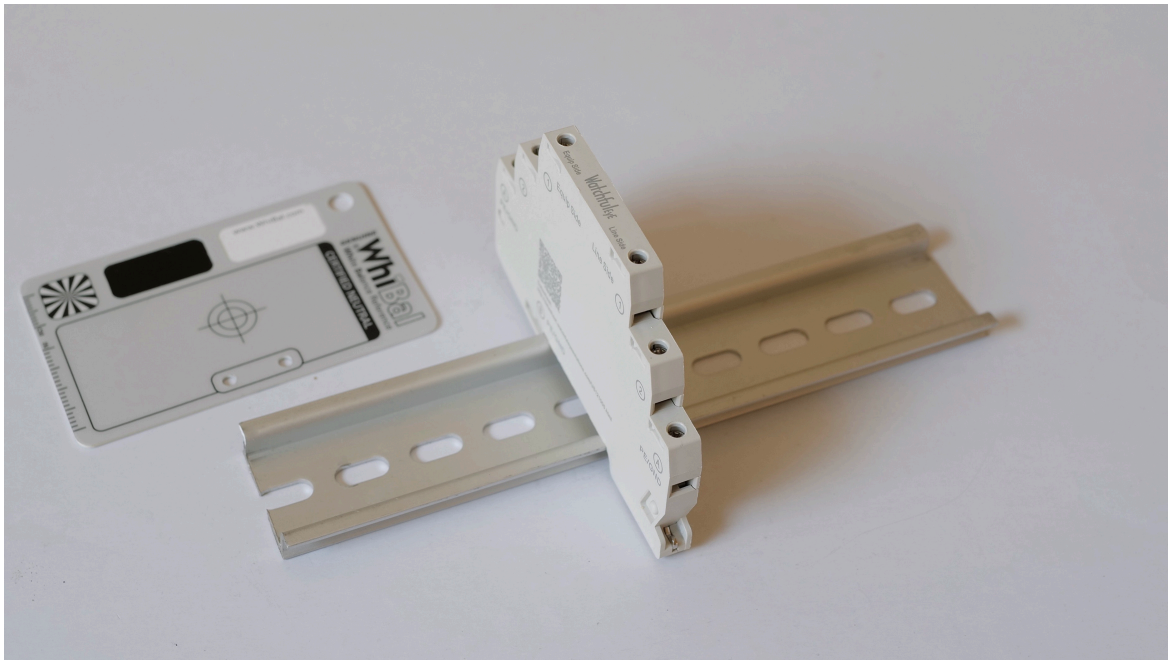


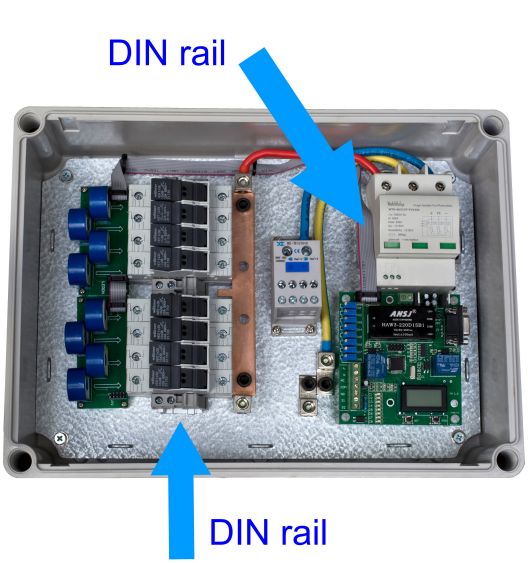


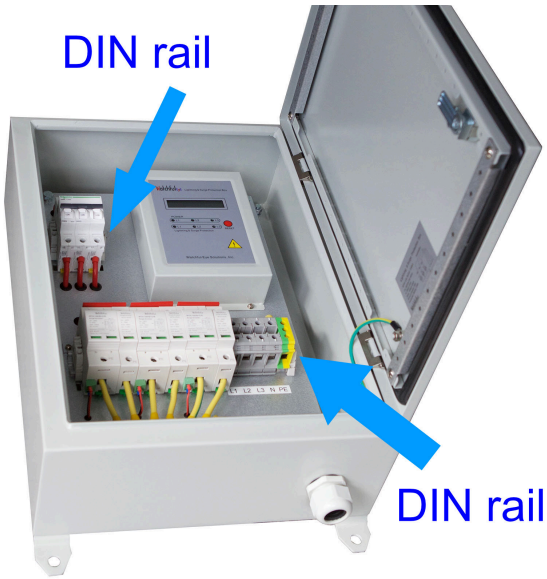
Aluminum alloy oxidation DIN-rail

.

Application







Aluminum alloy oxidation DIN-rail

FAQ & Help (1/1)

1. What should I do if I can't find the paper manual in the product packaging?
Watchful Eye products is committed to going green with paperless data sheets. On each DIN rail there is an engraved link with URL for downloading paperless data sheet on the website.. If you need the paper data sheet, you can open the link and print the data sheet by yourself.

2. Why are there some dirt-like black stains on the DIN rails?
The black stains are caused by friction and collision between the DIN rails and mechanical equipment during the production. To protecting environment, the stains are deliberately not removed by cleaning as the waste discharged from cleaning will produce harmful chemicals which will pollute the environment.

3. Is there an overall view of the DIN rail?
The following is a photo of 12-inch DIN rail.
